IN CONFIDENCE

8 September 1994

Dear Mr Thomas,  
The Prime Minister has asked me to thank you for your letter of 14 August containing details nominating Professor John R Searl for an award in an Honours List.

I will ensure that your recommendation receives full and careful consideration.

Yours sincerely

This is to confirm to all: who wonder if anyone has actually tried to help this work and this is just sample proof that they do by any means available to them, and this reply that one who tried to help received.

My sincere thanks to all who have and are supporting this re-developing of the S.E.G technology, which could play a vital role in this planets energy domain.
